

GCC Success Story

POWERING LUXURY RETAIL'S INDIA GCC TRANSFORMATION

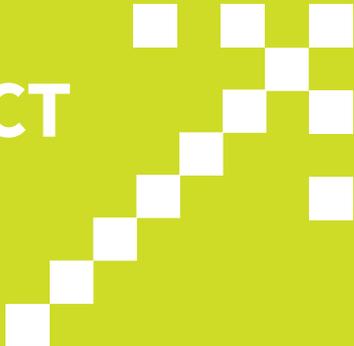

Challenges

- Unifying the retail, ecommerce, and omnichannel systems
- Scalable and compliance ready digital foundation
- Low latency connectivity and cloud adjacency

Solutions

- Single scalable digital platform powered by a managed cloud
- Robust network with low latency connectivity across key location and other touchpoints
- Compliance ready digital foundation with stronger governance

IMPACT

India GCC scaled from **700 to 1,000 employees**

Accelerated hybrid **cloud adoption & management** for the India GCC

Faster, secure, unified digital foundation opening new avenues for growth
